Insurance May Not Cover All  
Emergency Medical  
Transport Costs.

FireMed Members have no  
out-of-pocket expenses.

Protect you and your family from unforeseen emergency expenses by signing up for a FireMed Membership today. Your insurance may not fully cover the cost of your transport. Without a FireMed Membership you could pay thousands of dollars for ground service and several times more for emergency air transport. We accept an insurance settlement as payment in full for FireMed Members.

FireMed is a service of Scappoose FireMed, available to all residents within this service area.

Life Flight Network / FireMed Membership Program  
Key Membership Terms

By becoming a Life Flight Network and/or FireMed Member, you agree to the terms stated below.

**Life Flight Network and/or FireMed Memberships are not insurance policies but secondary to insurance carriers including health care cost sharing programs. All available insurances will be billed first.**

Life Flight Network and/or FireMed Membership benefits are extended to the primary member, his/her spouse or domestic partner and dependents claimed on their income tax return. Elderly (65+) or disabled family members living in the same household are also covered.

Life Flight Network Membership benefits are available for those eligible household members listed on the member record at the time of transport if the transport is an emergent, medically necessary transport to the closest, most appropriate facility, performed by Life Flight Network, its contracted agents, or reciprocal partners, subject to the participating program's rules.

Ground Memberships are honored by participating FireMed Membership programs of Oregon and cover ground ambulance charges only, subject to the participating program's rules.

Emergency medical transports are based on medical need, not membership status. Medical need can only be determined by a physician, EMS provider, hospital or another qualified third-party recognized by Medicare.

New and lapsed member benefits take effect 72 hours after receipt of a completed enrollment form with payment. Membership fees are non-refundable, non-transferable and not tax deductible.

You agree to transfer directly to Life Flight Network and/or the FireMed Agency your rights to air and/or ground insurance payments due for services provided by Life Flight Network and/or the FireMed Agency. Such payments shall not exceed Life Flight Network and/or FireMed Agency's regular charges.

You specifically waive any and all rights, claims or causes of action against Life Flight Network and/or the FireMed Agency and its employees and agents with respect to your Life Flight Network and/or FireMed Membership and the Life Flight Network and/or FireMed Membership Program.

The Membership Program may be canceled at any time for any reason, including financial feasibility and governmental regulation of such programs. Terms and conditions are subject to change. For current terms see [www.lifeflight.org](http://www.lifeflight.org)
