

SCAPPOOSE RURAL FIRE PROTECTION DISTRICT

Scappoose, Oregon 97056 52751 Columbia River Hwy. FAX: (503) 543-2670 www.srfd.us Phone: (503) 543-5026

REGULAR MEETING OF THE SCAPPOOSE RURAL FIRE PROTECTION DISTRICT BOARD OF DIRECTORS, AT 7 P.M., THURSDAY, OCTOBER 12, 2017, SCAPPOOSE FIRE STATION, SCAPPOOSE, OREGON.

ATTENDANCE:

Board members: D. Grant, D. Graham, A. Krieck, D. Sorenson and R.

Cairns.

ALSO PRESENT: Chief Greisen, D/C J. Marks, D/C J. Pricher, and J. Salisbury

CALL TO ORDER: President Grant called the board meeting to order at 7:00 p.m.

AUDIENCE PARTICIPATION - Mark Kreutzer, CRFR Vice President, Lt. Nielson, and Lt. Anderson.

CONSENT:

President Grant opened discussion on the consent agenda items. A motion was made by Mr. Graham to approve the consent agenda as presented. The motion was seconded by Mr. Cairns. Mr. Sorenson asked about the \$8,175 to Volunteer Services. Ms. Salisbury explained that this is the annual amount donated by the District to the volunteers to support their activities. Chief Greisen explained that the quarterly EMS Hardship report is only for information as required by policy and does not require board approval. Mr. Krieck asked about the amounts being written off. Chief explained that the identification of need is made by the hospital, and the District provides the same percentage of writeoff as that given by the hospital. Mr. Sorenson asked whether the writeoffs appear on our financial statements. Ms. Salisbury said since the District is on a cash basis, the write-offs are not reflected in the financial statements. They only appear in the EMS reports.

Motion to approve the consent agenda carried unanimously.

CHIEF REPORTS: 2017 Third Quarter Alarm Report – Mr. Sorenson asked about the 2 events of spontaneous combustion at Beaver Bark recently reported in the newspaper. Chief said these events happen when hot spots develop, often due to the wrong materials being mixed together. Mr. Sorenson asked whether they need to improve their processes. Chief Pricher said most problems can be prevented by turning the product enough. Chief Greisen said Beaver Bark is usually able to handle these problems without District assistance.

> Fire Chief – Dyno Nobel Tabletop Exercise. Dyno Nobel finished their emergency plan and worked hard on the simulation. The purpose was

for industry and for testing the LEPC plan. Dyno Nobel wants to produce more tabletops working with CRF&R. Mr. Krieck asked about their products. They make fertilizer. One of the main hazards is ammonia, and the exercise simulated a response to an anhydrous ammonia leak. One by-product is carbon dioxide, which is used by a nearby company to manufacture liquid carbon dioxide.

Fire Marshal – Chief Pricher made a second trip to the Eagle Creek fire, this time for 2 weeks. He had to manage many conflicting boundary issues and political concerns. The Fire Marshal's website has launched. It is packed with information about special events, plan reviews, code enforcement, air quality, burning requirements, and burn permit applications, among other items, and is still being fine-tuned. Chief Pricher is also doing plan reviews on a number of commercial projects in both districts, and revising the driveway requirements so that they are clearer and more complete. The marijuana operations are presenting many challenges.

Training – Chief Marks reported that academy is going well. Two dropped out and seven are left, three for Scappoose and four for Columbia River. Both Districts each have an additional volunteer with experience who do not need to go through the academy. The iPad software is not out yet, so updates cannot be performed. Chief Marks is also working on staff wildland certifications.

Operations – Chief Smythe went to the northern California fires with 2 firefighters from Clatskanie, and a brush rig from CRF&R. Oregon sent 10 teams made up of 50 engines and Arizona also sent 50. We were missed because initial contact was only made by emails, and the official call came too late at night for Scappoose to get people. We also had trouble with our Active 911 notification system.

EMS – Chief Coombs is currently focusing on the community paramedic position which has been posted. His next project will be hiring EMS-only staff.

Safety Resource – Mr. Sorenson asked about SAFER grants. Chief Greisen said Chief Pricher put in one for SCBAs, but they ran out of money. We did not receive any denial letters. We will resubmit next year. We will also put in a county-wide SAFER application for radios. Applying with multiple agencies improves the odds of success.

Mr. Sorenson asked about the boathouse. Chief Greisen said there is some electrical work to be done for light fixtures. The concrete work planned will improve the pad at the back of the station.

Volunteer Activity Reports – Chief Marks said many of the people on the list are no longer active. Mr. Krieck noted that some have many training hours but no incident responses. Chief Greisen explained that they are new volunteers who are not yet allowed to go on calls.

Health & Wellness Committee – Chief O'Connor facilitates this, and it is essentially a new committee for both districts.

Lt. Nielson demonstrated one of the three new ventilators which the board approved for purchase a couple months ago. He said it is fairly simple to use and replaces the CPAP machines that Scappoose previously used. It can be a mask or an intubation. It is 75% smaller than CRF&R's current ventilators. Unlike the CPAP, it uses much less oxygen and ventilation can be varied between inspiration and aspiration which is beneficial to the patient. Four training sessions are scheduled on October 24th and 25th, and each will take less than 2 hours; probably closer to an hour.

Chief Greisen said that Scappoose needs to send a board member to CRFR's 7 pm Tuesday, November 14 meeting. Mr. Cairns will attend this one. The District will send a reminder. Mr. Krieck said he would be the alternate.

Purchase of LED lighting for the parking lot and other electrical improvements. The bid is from McCoy Electric for \$13,481. Chief asked for a motion allowing up to \$14,000 in case additional outlets and more electrical work is needed. The estimated rebate of \$2,080 from CRPUD will lower our net cost, but we have to pay the full amount upfront before we can submit for the rebate. The funds will come from Building Maintenance in the Property Reserve Fund. Mr. Graham moved approval of the external lighting upgrade and electrical improvements for the Scappoose Station for up to \$14,000. Mr. Sorenson seconded.

The motion for external lighting upgrade passed unanimously.

Chief Greisen presented the fireboat hull protection proposal. This work was approved last year but was not completed. Therefore it needs approval for this year's budget. The competing bid was incomplete. Mr. Graham moved approval of an impressed current cathodic protection system on the fireboat for \$5,850 by The Boatyard at Rocky Pointe Marina. Mr. Krieck seconded.

The motion for the fireboat hull protection system passed unanimously.

The board reviewed the historical graph of kilowatt hours used at the Chapman station. Lt. Anderson said we had added thermostats to the rigs so that the block heaters do not have to run continuously, thereby saving on electricity. While rates have increased, our bill has gone down. We will also add LED lighting and another block heater thermostat, providing additional savings. Lt. Anderson said we have to

run a 1500 watt heater to keep our water tank from freezing, so the bill will increase over the winter. Chief Greisen said we could look at purchasing a shed which we could insulate and house the tank.

OLD BUSINESS:

Committee Reports & Other Items.

- **A.** Awards & Incentives Committee Did not meet. The volunteers are still working on the Length of Service Awards Plan (LOSAP).
- **B.** Management Team Committee The committee met and discussed both the joint meeting and the two purchases.
- C. Planning Committee no meeting.
- D. CRFR & SRFD Joint Board Meeting Mr. Graham said we covered many important concerns. Mr. Sorenson said that the next meeting should be around a table so board members can face each other. Mr. Krieck said that it appeared to him that so far this has affected CRFR more than Scappoose. Mr. Krieck said that many tasks are getting done in both districts that were not being done to the same level before. Mr. Grant said that he had not realized how busy all the Division Chiefs are. Mr. Cairns would like the Division Chiefs to take turns attending meetings to share what would help them do their jobs better. Mr. Graham said he had talked with Chief Greisen about moving faster to resolve the IT incompatibilities.

Both Mr. Krieck and Mr. Cairns said they were focused on the near term and were not ready to consider longer term options such as expansion and/or consolidation. Mr. Sorenson said the lists put together at the joint staff meeting (included in the joint board meeting packet) were interesting and helpful. He said some items could be grouped together.

Chief Marks said that if both districts use the same emergency records reporting system, chiefs will not have to learn two systems and will not have to travel to the system on which they need to file a report. CRFR has signed a contract with Image Trend. Scappoose used to use Image Trend for free through the State. CRFR's contract is for a much more advanced records management system with rich functionality. Starting a new system like this takes many hours. Chief Pricher said that he and Chief Lake needed three months to setup our current system with ERS.

Mr. Graham and Mr. Sorenson expressed an interest in hiring outside help to get the new system up and running to reduce the burden on existing staff. Chief Pricher discussed a current delay caused by waiting for the new CAD system. The start date has been postponed several times. Chief Pricher said that ImageTrend is widely used, so other software applications such as CrewSense have been designed to be compatible with it. Lt. Nielson said that since ImageTrend is supported by many states, it has a long life expectancy.

NEW BUSINESS

- A. SDAO Workplace Harassment Policy The board completed the first reading of the policy and made no changes except to add the annual staff training that was included in the previous policy. They plan to approve the policy at the November meeting. This completes one of the five requirements to obtain a 10% reduction on the casualty and liability insurance policy.
- B. SDAO Best Practices Survey The board reviewed the survey questions and answers. Mr. Sorenson asked about employee evaluations. Chief Greisen said the District is behind on that task. Answering this survey is another one of the SDAO Best Practice requirements to obtain the 10% discount.

AUDIENCE:

No comments.

GOOD OF THE ORDER: President Grant recognized the thank you notes.

ADJOURNMENT: Mr. Krieck moved to close the meeting, Mr. Graham seconded, and the motion passed unanimously. President Grant adjourned the meeting at 8:37 p.m.

Signed this 9th day of November, 2017.

David Grant, President

David Graham, Board Member

AGENDA

Meeting of the Scappoose Rural Fire Protection District Board of Directors, Thursday, October 12, 2017, 7:00 P.M., Scappoose Fire Station, Scappoose, Oregon.

- I. CALL TO ORDER

SPECIAL NOTICE

Columbia River Fire & Rescue / Scappoose Fire District

Operation Chief Report September 2017

- Eagle Creek Conflag Response Columbia County Task Force 9-4-17 through 9-12-17
- CAD Update and meetings CCOM
- CAD Train the Trainer Washington County Dispatch Center
- Crew Sense On-Line Interface
- CCOM Meeting CAD Update and Run card revision
- Fire Academy Training: Weekend Training
- NFIRS Reporting to OSFM
- Operational Committee Meeting
- Conflag Reports Milli Fire, Eagle Creek, Chetco Bar, and Nena Springs II for OSFM
- Union/Mgmt Meeting
- Community Emergency Response Training Weekend
- New Hire Paperwork and processing CRFR
- Personnel Reports and documentation
- ISO Update Contact with ISO for update on scoring
- Image Trend Online Meeting and discussion for implementation
- SOP/Policy Update Process of obtaining and scheduling updates
- Civil Service Firefighter/Paramedic and Firefighter/EMT testing updates

There are multiple "irons in the fire" with CAD, High Plains Replacement, hiring, volunteer academy, new hire academy, ambulance only personnel, and reports for OSFM. Busy month and it does not look like it will be slowing down anytime soon.

Division Chief O'Connor Monthly Report August/September 2017

• Grants:

- 1. AFG and SAFER grants are being awarded. We were officially declined an award for SAFER on September 28, 2017.
- 2. SDAO Safety & Security Grant and State Farm grants are currently open and accepting applications.

<u>Meetings:</u> Scappoose officers meeting 8/9; Scappoose Safety Meeting 7/12; CRFR Safety meeting cancelled for August due to most of the safety committee being out on conflagrations, committee met on September 28 with a long agenda; CRFR Volunteer firefighters association meeting 8/16 & 9/20; Scappoose/CRF&R Health & Wellness Committee 8/14 and 9/25; Meet w/Chief Griesen to set up Dropbox for board members via Ipads; uniforms meeting w/Lt Wonderly 9/1; Image trend implementation meeting 9/28; Meet w/Phillips rep 9/19 for mobile device compatibility

<u>Facilities:</u> Continued repair on irrigation system at St. Helens station; Fairgrounds dorm wall is installed & finished; Sheetrock was installed at Scappoose boat house on 9/5 & 6 electrical still needs to be completed; Safety inspections completed at Goble Station w/corrections made; Safety inspections completed at Holbrook, Chapman and Boat House; Cut and trimmed grass/brush at Holbrook station; Working on RFP for concrete work at Scappoose station; organizing station maintenance/upgrade projects for 17/18;

<u>PIO:</u> Continued updates of social media pages with current information (shared duty w/Motherway); Completed call log reports for local media on Mondays (alternating Mondays w/Motherway), internal copies of reports sent to all staff that includes individual unit number of responses for the week; numerous media inquiries over the past month regarding emergency incidents within CRF&R district and for Columbia County firefighters on wildland fires out of district as well as for the continued dense smoke from wildfires.

<u>I/T:</u> Follow up with numerous Utilize IT repair tickets and work toward tracking work tickets and repair times; researching mobile device needs for new CAD;

<u>Safety:</u> Accident report/investigation for engine open door into wall at Rainier Station 9/8/17; Shoulder injury during training 9/23; Exposure report involving 4 firefighters 5/22; Near miss incident, unit returning from a call on 9/15; Continued Coordination of firefighter NFPA physicals for CRF&R and Scappoose FF's that are due, list is getting shorter, moving forward with round 2 for firefighters due this fall/winter; Coordinated return to work physicals for several FF injuries;

<u>Misc:</u> Sent to Nena Springs Fire II at Warm Springs as part of OSFM Red incident management team 8/17 - 8/20; Task Force Leader at Milli Fire for Columbia County Task Force 8/23 - 8/25; Sent to Eagle Creek Fire as part of OSFM Red incident management Team 9/4 - 9/12; Completed driver training on Engine 471Z with 2 volunteer firefighters Keith Matthews and Steven Raichl; working w/Chief Smythe to develop volunteer officer requirements

Volunteer Coordinator Motherway Report August 2017

August:

- September 8th Academy Orientation
- September 16th Recruit Academy 1st Day
- September 18th Verbal Excellence Class
- September 20th Volunteer Association Meeting
- September 26th 28th ICS 300/400 Course DPSST
- September 29th Buck for Kids Dutch Bros/Toy N Joy
- Work with new recruits to ensure they complete their medical/physical, took care of background checks, provided information for onboarding process and more
- Assist with new recruit information/emails/tests/details about academy and ongoing questions and involvement
- Attended Health & Wellness Meeting
- Organized Columbia City Celebration Staff Coverage
- Helping to organize and staff pub ed events (SRFD & CRFR)
- Various recruitment phone calls/emails
- Continued effort to keep multiple calendars up to date and combining them so staff can view from one location and have a more collective review of training, events, etc.
- Attend weekly drill in Scappoose and @ LBTC (9:30am & 7pm)
- Multiple meetings with several volunteers throughout the month re: basic conversation, ideas/etc.
- Weekly Facebook posts
- Scappoose Fire, Tuesday and Wednesday's
- Various reimbursement requests throughout the month, assisted with paperwork and delivery to admin for payment
- Assist at the St. Helens Station with picking up supplies as needed, answering the door to the community when staff is out on calls, work with the community in every capacity to answer questions and help where needed.
- Birthday cards sent for August birthday's in Scappoose
- Website maintenance and updates for Scappoose & CCFireMarshal

Continuous volunteer program work:

- Continued involvement in the Oregon Fire Recruitment Network
- Constant communication via email, Facebook groups, active 911 to ask for help, send out upcoming dates to remember/etc. for volunteers.
- Social Media/PIO, keeping the community up to date
- Writing and posting press releases and weekly media reports
- Assist Chief Officers run errands, send emails on behalf/etc.
- Assist with FF PPE gear collection/turning items in to the uniforms dept.

Health and Wellness Committee 9-25-17

Present:

O'Connor, Hennigan, Lee, Maginn, Motherway, Dietz

Absent:

Ahlers, Priest

To order:

0900 hrs

Minutes from last meeting were read and approved by members present.

Maginn opened the meeting and reviewed the Agenda.

Brief discussion for new members recapping past meetings and current focus.

Old Business;

Joint medical physicals

- Chief O'Connor reported that:
 - Most people from the spring group done.
 - Still waiting for a couple stragglers
 - o Starting in mid-October, we will be starting pre-physicals for those members due in the next wave.
 - o Flu shots will also be available for anyone who wants one
- Ahlers made a note in his submitted agenda about "Joint Medical Physicals." Members present weren't sure what information he wanted to discuss. Need clarification from Ahlers for next meeting.

Recognition

- > Ahlers report:
 - o Dry fit shirts (demo shirt is still in the works. Range is approximately \$20-\$30 depending on size of shirt and screen print etc... Idea was to have a large

- department Maltese cross logo on the back with a smaller "SRFD" or "CRFR" lettering on the front, in order to not confuse these shirts with cotton firefighting approved shirts).
- Water bottles (still looking into bulk order pricing and the right vendor for this.
 Hydro-flask brand would be ideal. Agency Maltese cross logo idea on bottle as well unless other suggestions)
- Other incentive ideas.
- Still no set recommended hours for fitness tracking or station weight room use in order to be awarded incentive items discussed. Discussion on set hours.
 (Example: 25 logged hours for water bottles, 50 logged hours for dry fit shirts)

Action Items

O'Connor to explore funding for recognition items

Upcoming baseline physical assessments (PAT)

- Chief O'Connor related that as we complete the medical physicals and know that members are able to work as combat firefighters, he would like to see the implementation of mandatory PAT performance on an annual basis to ensure that members meet minimum physical fitness requirements for emergency scene operations.
- Hennigan presented several documents from agencies with long-standing Health and Wellness programs
 - There is no need to "re-invent the wheel" and we can borrow many aspects from programs already in place
 - Hennigan will make documents available in a dropbox that all committee members will have access to
- We would like to see a PAT ready to implement by spring (March) 2018
- Discussed the existing PAT created at CRFR
 - Considerable work went into creating a PAT by several CRFR members a few years ago
 - It mirrors the PAT used at Clackamas FD
 - CRFR had the majority of career members perform the PAT to develop an average time to complete
 - We have the props and equipment necessary to continue utilizing the PAT
- ➤ Discussed the need for documentation explaining the PAT; acceptable performance, unacceptable performance, rationale for skills tested, explanation of process if members are unsuccessful.
 - Need to have this document in order for all members to prepare for PAT performance.

- During PAT discussion, the topic of preparation and physical training for members took place
 - It is expected that members will need to participate in regular physical training to perform well
 - o Career members have exercise equipment available at the stations
 - Volunteer members are welcome to use the equipment at the stations, but many seem reluctant to do so
 - o There are several commercial gyms in the area that members can use for training
 - Some offer discount benefits for various groups in the community
 - o Motherway will check on a benefit offered by Pacific Athletic Club

Action Item

- Hennigan will create a Dropbox and get access for all committee members
- Motherway will post pertinent documentation that she has in the Dropbox for members to review
- O'connor will explore money available for gym membership re-imbursement

Group training programs on weekends

- No work done regarding weekend training programs since last meeting
- ➤ Hennigan and Motherway will work together on developing a schedule and encourage participation of our volunteer members
- ➤ Hennigan researched the PFT classes offered by ACE (American Council on Exercise) and found the following:
 - To host a course, there are very specific facility requirements
 - Cost to host agency is \$25,000 for up to 25 students
- Chief O'Connor pointed out that if we have interest from other agencies in the area to get PFT certification for their members, it would help off-set cost
- > Ahlers:
 - Peer Fitness Training (opportunity may be available soon in Seattle area? Email was forwarded to Chief O'Connor for details. Still discussing with Chief Marks depending on dates and amount and number of members etc)

Action Items

- Hennigan and Motherway will develop a schedule for weekend training and explore an implementation date
- Ahlers and Hennigan continue to look into peer fitness training opportunities

Equipment needs

- Chief O'Connor hasn't found what SRFD needs are.
- Chief O'Connor has funds available from CRFR for equipment.
- ➤ Had discussion about what fitness equipment agencies currently have and what equipment would complement current inventory.
- Chief O'Connor asked for a needs assessment for fitness equipment from both departments.
- Once complete and submitted to him, Chief O'Connor will bring the list forward to administration representing the fitness committee

Action Items

- ➤ Hennigan and O'Connor will work on a needs assessment for CRFR
- Maginn will work on a needs assessment and list of needed fitness equipment for SRFD
- O'Connor to continue exploring funding for equipment

Communication

- FB page is done and just needs to be launched
 - It is linked to the CRFR volunteer page
 - Anyone wanting to view or contribute to the page must request membership and be added

Action Items

➤ Chief O'Connor will launch the Health and Wellness Face Book Page.

Mental Health

➤ Hennigan spoke to Chandler. He is interested in sharing information he has, but couldn't attend this meeting.

Action Item

- Ahlers to talk with Chief Marks about putting Mental Health topic on training calendar
- Hennigan to talk with Chandler about attending next meeting

SMART objectives/goals

Mission Statement was selected:

"It is the mission of the Health & Wellness Committee to promote the health and wellness of all members through education and initiatives that:

- Encourage habits of wellness
- Increase awareness of factors and resources contributing to well-being
- Inspire and empower individuals to take responsibility for their own health
- Support a sense of community"

CRFR Volunteer Rep for committee

➤ Welcome to:

Priest McLane, CRFR Volunteer Representative Erik Dietz, SRFD Volunteer Representative

New Business

- Motherway reported that NVFC (National Volunteer Fire Council) has launched a heart healthy fire fighter program that offers resources
 - o Possibly put on the Facebook page for members to take advantage of

Good of the Order

Discussed the need to be responsive to each other with email and other communication. As a committee, we expect that we will be working with deadlines and sometimes trying to get things done quickly. We need to be sure to respond to each other's emails.

Meeting dates and times

- Next Meeting
 - o Wednesday, October 25, 0900 hrs @ Scappoose

Adjourn:

1010 hrs

Scappoose Station Exterior Lighting Uprade and Miscilanious Building Electrical Work

Estimated Cost of an Electrical Permit	\$250.00
We will need to furnish an electrical permit for the ultimate scope of work.	
Parking Lot Illumination, (2) Exterior Man Doors, and (2) Man Doors Inside House Tower Replace existing pole fixtures with new fixtures supplied by CED per the schedule from Ed Lane Remove and Replace (4) man door lights, upgrade to LED Reconnect power to one pole light on the east side (disconnected for safety) Provide aerial equipment needed to perform this work	Labor \$4,935.00 Materials \$4,745.00
FireBay East Man Door Motion Activated Light Furnish and install one new LED fixture over the east door Furnish and install one new combination occupancy sensor/inhibit photocell for control of the above fixture Connect the above equipment to a nearby existing circuit	\$780.00
Installations of 2 Duplex Outlet in Downstairs Office This will add a single nee duplex outlet in both the Ambulance Billing and Fire Marshalls Offices Intercept existing power from receptacle on opposite side of wall Install one new duplex outlet	\$784.00
Shift Office Switches Convert two existing switches to one double-pole occupancy sensor Replace plate as needed to accommodate new sensor	\$233.00
Shift Office Data Wiring Furnish and install three new Cat6 data cables from the west wall of the Shift Office into the first floor IT of	loset \$1,335.00
Weight Room Convert two three-way switches to occupancy sensors (both ends)	\$419.00
Rebate from CRPUD to be awarded after project completion	### ##################################

FB43 Impressed Current Cathodic Protection System Update

Date: October 10, 2017

Purpose of Document:

The Board of Directors previously authorized work to be performed on FB43. We are ready to move forward with this project within the previously authorized amount. Since six months have passed this document is being provided as an update and/or reference should the Board determine a need to ratify the previous decision.

Background:

At the April 13th meeting the Board authorized up to \$6,500.00 for the installation of an impressed current cathodic protection system. When following up with the marina it became apparent they may have underestimated the scope of work required for the installation as provide in the "soft estimate". Another concern was the marinas availability. They did not want to perform the installation until after the winterization season.

Kevin Ritz was contacted and asked if he would consult with the marina to ensure they understood the scope of the work to be completed. He was/is more than happy to volunteer and assist with this project, including overseeing the installation process. After additional conversations Kevin agreed to obtain individual quotes for the installation and the estimate time they could begin work.

At this time we have two estimates, one from The Boatyard at Rocky Pointe Marina for \$5,844.09 and from Shooner Creek Boat Works for \$6,735. Kevin is familiar both outfits stating they have previously installed the same system in other boats. As the boat is currently in need of both annual service and inspection it is most convenient to have the installation performed locally. At this time would like to have Rocky Pointe Marina perform the services based upon:

- Located within our district.
- Lowest cost of both estimates received
- Have previously performed work on our vessel
- We would be able to quickly and easily go to the marina should any concerns be identified during the installation/service.
- As of last week would be able to start this month

The annual services, replacement of any worn out anodes, and the installation of a previously purchase Equipment Leakage Circuit Interrupter (ELCI) would also be performed while the vessel is out of the water. Those expenses are not included nor are part of the quotes.

Robert Anderson Lieutenant / Paramedic Maintenance Officer

NOTICE: Any estimate from Schooner Creek Boat Works is made in "good faith" and subject to change without notice. The acceptance of an estimate or work order is an unconditional acceptance of Schooner Creek Boat Work's right and intent to lien the vessel or property for which there is an outstanding balance owed for over 90 days. Schooner Creek Boat Works reserves the right to impound and seize any vessel for which there is an outstanding balance over 120 days. All labor performed by Schooner Creek Boat Works is warrantied for a period of 12 months from the time the work was performed against defective workmanship only. Normal wear and tear is not subject to warranty and the determination of that is at the sole discretion of Schooner Creek Boat Works. Any claim against workmanship must be made within 30 days of when the defect was observed. Any work to address warranty claims must be performed exclusively by Schooner Creek Boat Work's facilities.

Schooner Creek Boat Works is strictly a vendor and not a manufacturer. All goods are sold by Schooner Creek Boat Works as is, without any warranties, express or implied, including the implied warranty of merchantability except as stated herein. The only warranty of the goods are those, if any, which are expressly made by the manufacturer. The sole and exclusive remedies in the event of any breach of warranty are (1) a claim for return of the goods and refund of the purchase price; or (2) replacement of the defective product. In no event shall Schooner Creek Boat Works be liable for incidental or consequential damages.

WHAT IS WORKING & GOALS WE HAVE MET

- ISO EVALUATION COMPLETED
- SHARED DUTY OFFICERS MULTIPLE CHIEFS RESPONDING TO EMERGENCIES
- EMS-COMMUNITY PARAMEDIC APPLICATIONS OUT
- BOTH DISTRICTS COMBINING TRAINING FOR VOLUNTEERS
- BOTH DISTRICTS COMBINING RESPONSE
- COMMITTEE MEETINGS COMBINED BETWEEN AGENCIES EMS, Wellness and Operations
- JOINT HIRING PROCESS AND JOINT VOLUNTEER ACADEMY
- INCREASED PUBLIC PERCEPTION/SOCIAL MEDIA/PRESS RELEASES
- FIRE MARSHAL CODES/WEBSITE COMPLETED/CONSISTENCY & STANDARDIZATION ACROSS THE 2 DISTRICTS
- EMS HAS MORE PHYSICIAN INVOLVEMENT-CASE REVIEWS, BUYING LIKE-TYPE EQUIPMENT
- SAFETY- PROCEDURES & POLICIES
- SHIFT GO-TO MEETING WITH DUTY OFFICERS
- AMBULANCES BUILT THE SAME FOR EACH AGENCY

WHAT IS NOT WORKING OR NEEDS SOME HELP

- COMMUNICATIONS-CONSISTENCY, FLOW, INCOMPATIBLE PROGRAMS (GOOGLE & OUTLOOK) NO SHARED CALENDARS, NEVER KNOW WHERE THE CHIEFS ARE
- OVERSIGHT COMMITTEE DID NOT MEET MUCH, NEED TO MEET MORE & COMMUNICATE BACK TO STAFF
- FIRE MARSHAL NEEDS MORE HELP
- MORE STAFF MEETINGS REQUESTED TO FOSTER COMMUNICATION
- TECHNOLOGY-ALL DIFFERENT TYPES SOFTWARE AND SYSTEMS IN BOTH AGENCIES
- STAFF ISN'T SEEING OUR "WINS" AND THE GOALS WE HAVE MET OR THAT WE ARE WORKING TOWARDS. WE DIDN'T SHARE THAT.
- WE ARE TOO SLOW AT OUR OWN DECISION MAKING
- UNIFICATION-EMAILS, UNIFORMS, PATCHES, NAME?? CONFUSION IN HOUSE AND OUT OF DISTRICT

- ROLES, EXPECTATIONS, JOB DESCRIPTIONS AND STANDARD OPERATIONAL GUIDELINES NOT DEFINED, OR DO NOT EXIST.
- EMS NEEDS MORE HELP-REVIEWING CALLS ETC FOR 2 AGENCIES
- DIFFERENT PROBATIONARY PROCESSES, TESTS ETC.
- LOOK AT DUTY OFFICER SCHEDULE/HOURS/COVERAGE

TO DO/IDEAS GOING FORWARD

- OUTSIDE AGENCY TO EVALUATE THE TWO DISTRICTS.
- HIRE CONSULTANT TO HELP WITH POLICIES, JOB DESCRIPTIONS, ROLES, ADMIN ETC
- CERTIFIED COMPLIANCE OFFICER SOON NEEDED PER MEDICARE
- IDEAS FOR STAFF, MORE HELP NEEDED, ASSISTANT NEED FOR BUILDING INSPECTIONS, EMS AND TRAINING
- CAN AREAS BE CONSOLIDATED BETWEEN DISTRICT
- CAPITAL REPLACEMENT PLAN FOR BOTH DISTRICTS
- HUMAN RESOURCE FOR BOTH DISTRICTS
- INFORMATION TECHNOLOGY FOR BOTH DISTRICTS

Section 4.13 Sexual and Racial Harassment

- A. The Board is committed to maintaining a working environment for its employees which is free from any form of sexual, racial and any other illegal harassment in violation of state and federal employment discrimination laws.
- B. The Fire Chief shall develop standardized written policy which shall serve as a guideline for the administration of maintaining a work environment that is free of unlawful discrimination and harassment.
- C. The Fire Chief or his designee shall conduct annual training for all personnel.

Section 4.13 Workplace Harassment Policy & Complaint Process

PURPOSE

The purpose of this policy is to clearly establish the District's commitment to provide a work environment free from harassment, to define discriminatory harassment and to set forth the procedure for investigating and resolving internal complaints of harassment.

POLICY

Harassment of an applicant, contractor, vendor, customer, board member, supervisor, manager, or employee by a supervisor, management employee or co-worker on the basis of race, religion, color, sex, age, national origin, physical or mental disability, marital or familial status, political affiliation, sexual orientation, veteran status, or membership in any other group protected by law is explicitly in violation of State and/or Federal law and will not be tolerated by the District.

It is critical that all employees treat all other employees with dignity and respect. This policy applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, disciplinary action, layoff, reinstatement, transfer, leave of absence, compensation and training.

Employees, supervisors or management employees found to be participating in any form of job-based harassment or retaliating against any other employee shall be subject to disciplinary action up to and including termination from employment.

DEFINITIONS

<u>Verbal Harassment</u> - Epithets, derogatory comments, slurs, propositioning, or otherwise offensive words or comments on the basis of race, religion, color, sex, age, national origin, physical or mental disability, marital or familial status, political affiliation, sexual orientation, veteran status, or membership in any other group protected by law, whether made in general, directed to an individual or to a group of people regardless of whether the behavior was intended to harass. This includes but is not limited to inappropriate sexually-oriented comments on appearance, including dress or physical features, sexual rumors, and race oriented stories.

<u>Physical Harassment</u> - Assault, impeding or blocking movement, leering, or the physical interference with normal work, privacy or movement when directed at an individual on the basis of race, religion, color, sex, age, national origin, physical or mental disability, marital or familial status, political affiliation, sexual orientation, veteran status, or membership in any other group protected by law. This includes pinching, patting, grabbing, inappropriate behavior in or near District facilities or facilities where District events are being conducted, or making explicit or implied threats or promises in return for submission to physical acts.

<u>Visual Forms of Harassment</u> - Derogatory, prejudicial, stereotypical or otherwise offensive posters, photographs, cartoons, notes, bulletins, drawings or pictures on the basis of race,

religion, color, sex, age, national origin, physical or mental disability, marital or familial status, political affiliation, sexual orientation, veteran status, or membership in any other group protected by law. This applies to both posted material and material maintained in or on the District's equipment or personal property in the workplace.

<u>Sexual Harassment</u> - Any act which is sexual in nature and is made explicitly or implicitly a term or condition of employment, is used as the basis of an employment decision, unreasonably interferes with an individual's work performance, or creates an intimidating, hostile or offensive work environment.

COMPLAINT PROCESS

The use of this procedure is limited to complaints related to discriminatory workplace harassment on the basis of race, religion, color, sex, age, national origin, physical or mental disability, marital or familial status, political affiliation, sexual orientation, veteran status, or membership in any other group protected by law.

If any person feels they are the victim of any form of harassment, they should inform the person(s) participating in this behavior that he/she finds it offensive. This one-on-one confrontation has been demonstrated to be an effective way to end harassing behaviors. If the inappropriate behaviors do not stop, the offended employee can initiate the complaint process as described below. Because confrontation is difficult for some people and because of the complex nature of harassment, employees are not required to confront an offending party prior to initiating this complaint procedure.

<u>Filing a Preliminary Complaint</u> - Any applicant, contractor, vendor, customer, board member, supervisor, manager, or employee who alleges to be a victim of discriminatory workplace harassment should contact the Fire Chief or designee, either verbally or in writing, within thirty (30) calendar days of the alleged incident.

Review of Preliminary Complaint - Upon notification of a harassment complaint, the Fire Chief or designee shall conduct an initial investigation to make a preliminary determination as to whether there is merit to the complaint. If no merit is found, the Fire Chief or designee may still meet with the parties involved to attempt to conciliate the complaint or conflict between the parties.

Formal Complaint - If after an initial investigation is conducted, there is no resolution and/or no conciliation of the preliminary complaint, a formal written complaint can be filed by the complainant. The Fire Chief or designee will issue a Discriminatory Workplace Harassment form to the complainant. This form shall be completed, signed and returned to the Fire Chief within five (5) days after issuance. Upon receipt of the formal written complaint, the Fire Chief or designee will contact the alleged harasser(s) who will be informed of the basis of the complaint, will be given a copy of the complainant's form, and will be provided an opportunity to respond. The response shall be in writing, addressed to the Fire Chief and received by the Fire Chief within ten (10) calendar days after being notified of the complaint. Concurrently, a formal investigation of the complaint may be commenced.

Review of Response and Findings - Upon receipt of the response, the Fire Chief may further investigate the formal complaint. Such investigation may include interviews with the complainant, the accused harasser(s) and any other persons determined by the Fire Chief to possibly have relevant knowledge concerning the complaint. This may include other victims of similar conduct.

Factual information gathered through the investigation will be reviewed to determine whether the alleged conduct constitutes harassment, giving consideration to all factual information, the totality of the circumstances including the nature of the verbal, physical, visual or sexual conduct and the context in which the alleged incident(s) occurred. The results of the investigation and the determination as to whether harassment occurred shall be final and binding and will be reported to appropriate persons including the complainant and the alleged harasser(s) within twenty (20) calendar days from the receipt of the response.

DISCIPLINARY ACTION

If harassment is determined to have occurred, the Fire Chief shall take prompt and effective remedial action against the harasser. The action will be commensurate with the severity of the offense, up to and including termination from employment. If discipline is imposed, the nature and extent of the discipline will not be divulged to the complainant.

RETALIATION

Retaliation in any manner against a person for filing a harassment charge or initiating a harassment complaint, testifying in an investigation, providing information or assisting in an investigation, is expressly prohibited and subject to disciplinary action up to and including termination. The Fire Chief will take reasonable steps to protect the victim and other potential victims from further harassment, and to protect the victim from any retaliation as a result of communicating the complaint.

CONFIDENTIALITY

Confidentiality will be maintained to the fullest extent possible in accordance with applicable Federal, State and local law.

FALSE COMPLAINTS

Any complaint made by an employee of the District regarding job-based harassment which is conclusively proven to be false, shall result in discipline of the complainant up to and including termination. This section is not intended to discourage employees from making complaints regarding job-based harassment. However, false complaints adversely impact the workplace and the career of the accused, even when disproved, and will not be tolerated.

TRAINING

The Fire Chief or designee shall conduct annual training for all personnel.

Dear Scappoose Fire SVFA

Your kindness means so much.

Im honored to have vereived the Martin J Renvick Memorial Scholarship.

By getting this Scholarship, if has helped me start my career in Cosmetology at Avera Insitute. Thank you for all you do in our Community!

NICOLE ANNA LUKINBEAL

Dear Scappoose Volunteer Firefighters
Association,
Thank you for your generous \$1,000.00
scholarship. It will be very helpful
as I pursue my Pre-Physical
therapy degree at Concordia
university Irvine. I really
appreciate your support.
Thanks again,
Medle Lukinbeal
