P.O. Box 625 • 52751 Columbia River Hwy. • Scappoose, Oregon 97056

Phone: (503) 543-5026 • FAX: (503) 543-2670 • www.srfd.us

REGULAR MEETING OF THE SCAPPOOSE RURAL FIRE PROTECTION DISTRICT BOARD OF DIRECTORS, THURSDAY, FEBRUARY 9, 2017, SCAPPOOSE FIRE STATION, SCAPPOOSE, OREGON.

ATTENDANCE:

Board members: D. Grant, D. Graham, A. Krieck, R. Cairns and D. Sorenson

ALSO PRESENT:

Fire Chief M. Greisen and J. Salisbury

AUDIENCE:

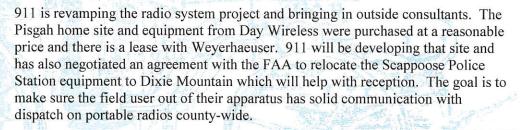

Steve Watson, Director, 911; FF Krieck, FF DuBois, FF Liebig, Lt Anderson, and

Lt. Heuer.

CALL TO ORDER:

President Grant called the meeting to order at 7:00 p.m.

AUDIENCE PARTICIPATION: Steve Watson, Executive Director of 911, gave a report of his agency's activities over the last year. 911 now has 12 dispatchers on staff, with at least 2 people on duty 24/7. Additional hiring is planned to meet the budgeted goal of having 3 people on duty 8 am to midnight to meet increased demand. Busiest hours are midday.

911 has signed on with a regional CAD system and will share with Washington County, City of Lake Oswego, and Clackamas County 911 centers. All will use the same product. 911 will connect via fiber to Washington County. 911 is pleased with the stability and focus of the new company. This will be implemented in late 2017, early 2018.

Mr. Sorenson asked about texting to 911. Mr. Watson said it is fully implemented in 5 counties but with low impact so far of text to 911. 73% of 911 calls now come in on cell phones, with land lines at about 20%. Previously those ratios were reversed, and a similar change is expected with text. The Legislature rewrote the \$.75 phone tax so that it applies to each device capable of calling 911. In addition, all new phones are now required to be more identifiable so that emergency response can tell where the call comes from within large buildings like Fred Meyer with multiple phone extensions.

Another important improvement is the work Chief Pricher has done with BiMart in

particular to assure full radio use inside buildings. This requirement has been part of the building code but has fallen through the cracks in the past. There was even discussion about dropping the requirement. Thanks to Chief Pricher's work, Mr. Watson thinks this will expand and become a county and/or city ordinance so that all new construction must comply. WalMart is planning a major renovation and Mr. Watson believes that this means they will now have to meet the same requirement for in-building radio coverage.

Mr. Sorenson asked whether there are upgrades that the District must complete as a result of the upgrades being made by 911. Mr. Watson said that the upgrades were a cooperative effort with mutual agreement, not a mandated requirement. Districts will no longer have to pay an annual CAD fee per computer of about \$100, which will save money. Chief Greisen said we will no longer have to purchase \$8,000 MDTs. Instead we will purchase computers and iPads, which are much cheaper.

CONSENT:

President Grant opened discussion on the consent agenda items. Motion made by Mr. Graham to approve the consent agenda as presented. Second by Mr. Cairns. Mr. Sorenson said that January minutes should state that Mr. Cairns was excused. Mr. Cairns asked about the high cost of wiper blades. Lt Anderson explained that the apparatus defrost systems will melt cheap wiper blades.

Motion to approve the consent agenda with the amended minutes carried unanimously.

CHIEF'S REPORT:

<u>Alarm Report</u> - January 2016 had 144 calls, and January 2017 had 225. There were 9 days with 10 or more calls.

<u>February Safety Meeting</u> – The board discussed the ambulance with damaged OnSpot chains, nicked gutter, and the downed power line and reviewed the related safety recommendations. Mr. Sorenson asked about the near miss slip at the boathouse and whether solutions such as mats or textured paint would work. Mr. Grant said the best way to assure safety on docks is to hesitate and be aware of where and how you are stepping on docks.

<u>Fire Chief's Report</u> — The District did not have too much damage to equipment in the bad weather. The fatality in Rainier was due to having combustibles too close to a portable heater in an RV. The arsons were committed by a homeless man just released from jail. The arsons made it possible for him to return to jail where he was comfortable.

Chief Greisen reviewed the Fire Marshal's report and said that Chief Marks was at the National Fire Academy on the east coast and so had no report. Training activities were reviewed.

EMS Chief – CRF&R increased their ambulance billing rates to the same levels that we did. Chief Coombs continues to design the community paramedic program that was requested by CareOregon with additional interest from Legacy. The difficulty is finding adequate funding to support the service.

<u>Safety Resource Mgmt Chief</u> – Chief O'Connor is attending meetings, writing grants, and coordinating IT management to accommodate upcoming changes and

new programs. He also attached the volunteer coordinator's report. The joint meeting with CRFR and Scappoose volunteers was well-attended and went very well.

<u>Miscellaneous</u> – Budget discussion. With the new 5 year levy, the general fund will begin paying for the SAFER grant employees in late 2017. We will purchase the new ambulance this year and pay for it next year. We will also purchase a new power stretcher, a CPR compressor, and maybe a new monitor so that all the ambulances have the same equipment.

OLD BUSINESS:

Committee Reports & Other Items.

- A. Awards & Incentives Committee No meeting.
- B. Management Team Committee Met before the meeting and discussed Chief Greisen's goals for the past year. The goal of improving relations with CRFR through the IGA is taking up most of his time. There has not been an IGA oversight meeting since the last board meeting, so Chief Greisen will set one up. The new District Master Plan may not be completed this year, and the same is true of the City of Scappoose's Emergency Operations plan as it affects the District. The goals having to do with floating structure codes, fire codes, and specialty codes have been the subject of several meetings and the County, City and Fire District hope to complete them sometime in June or soon thereafter.
- C. Planning Committee no meeting.

NEW BUSINESS

- A. 2015-16 District Audit Mr. Sorenson moved and Mr. Krieck seconded approval of the audit. The motion carried unanimously.
- B. Whistleblower Policy 4.22 Mr. Sorenson again emphasized that this must be emailed to all staff after approval. Mr. Krieck moved and Mr. Graham seconded approval of this policy which contains the language specified by Special Districts Association of Oregon in order to comply with House Bill 4067. The motion carried unanimously.
- C. Review board policies Mr. Sorenson noted that Policy 12 does not contain a 12.1 section. Mr. Sorenson moved and Mr. Krieck seconded approval to enter an intentionally blank page for section 12.1.

Motion carried unanimously.

The funeral leave described in Section 12.2 was discussed. No changes were proposed.

Policy 13 – Reviewed with no changes proposed.

Policy 14 – Reviewed with no changes proposed.

D. Surplus fire truck – 1982 Thiebault. CRFR decided they cannot use it. Chief Pricher had an agency interested in it at one time. We received it for free, but have put substantial funds into maintaining it. Chief Pricher will check to see if that agency is still interested. If not, Chief recommended putting the truck up for auction to get whatever we can for it. Mr. Sorenson moved to declare the 1982 Thiebault ladder truck surplus equipment. Mr. Krieck seconded the motion.

The motion carried unanimously.

AUDIENCE:

No comments from the audience.

GOOD OF THE ORDER: No comments were made under Good of the Order.

ADJOURNMENT:

Mr. Sorenson moved to close the meeting, Mr. Cairns seconded, and the motion

carried unanimously. President Grant adjourned the meeting at 8:27 p.m.

Signed this 9th day of March, 2017.

David Graham, Secretary/Treasurer

AGENDA

Meeting of the Scappoose Rural Fire Protection District Board of Directors, Thursday, February 9, 2017, 7:00 P.M., Scappoose Fire Station, Scappoose, Oregon.

- I. CALL TO ORDER

Safety Committee Minutes

February 8, 2017

Called to order: 1812

Safety Members In Attendance: , FF Maruska temp chair, Chief Greisen, Chief O'Connor,

Logistic Cox,

FF Lawrenson, FF Oberbarnscheidt, FF Bernier

Safety Members Absent: Chair Dietz on military leave, FF Davis, , FF Cox, FF Klippel, FF DuBois, FF

Liebig,

FF Trump, Logistic Stewart, FF Wilson, FF Shoun

Other Members Present: Lt Meres, Steve Niel, Capt Gift

Safety Message: Always consider safety

Safety Suggestion Box:

Accident or Incident Reports: Three incidents - 01-13-2017 Medic 431 high centered on Cornelius Pass Road during snow event causing Cornelius Pass road to be closed and ambulance having to turn around and go another route. Damage was done to On-spot chains. Incident was avoidable. With snow covering obstructions operator should have had 2nd person walk the area for any hidden objects. Need to educate staff on potential winter driving hazards.

01-17-2017 M432 was picking up coffee and struck rain gutter of coffee shop and causing paint chip on edge corner of ambulance and gutter damage to structure. This was an avoidable incident and we need to remind operators to watch for overhead obstructions.

01/17/2017 E4350 responded to a power line down on Scappoose Vernonia Hwy which had heavy snow and water on it. While waiting for CRPUD, the crew was removing unattached branches from road to open up at least one lane for traffic. One of the firefighters was removing a larger unattached branch near but close to the power line and felt a shock as he had tingling in his hand, arm and bladder. He was not injured. We need to remind personnel that down energized power lines can send electrical energy through water and through wet

wood. We need to schedule a safety around power lines class for our members. Will have DC Marks schedule a class soon.

Safety Action Generator:

Near Misses: After the fireboat returned from an emergency incident a firefighter was stepping off the boat on to the deck and slipped on the wet boathouse deck flooring. Should consider using sand in the paint or anti-slip material on the boathouse decking.

Station Reports

Scappoose Station – will be completed by LT Meres and Chrissy Cox

Chapman Station – will be completed by Marge Laney

Holbrook – Steve Nehl

Boathouse: Ron Maruska

Old Business:

New Business:

Station compressor has a 5 gallon foam container which collects normal moisture from the compressor. The issue is that the container is balanced on top of helium bottles. The container needs to be on the floor or on a shelf. DC O'Connor will look into it.

Should review response to power line down guidelines and have DC Marks schedule a power line safety class with either CRPUD or WOEC

We may need to assign a person to the boat house to remember to check during times of snow fall or ice. The boat house side walking decks were in the water before the snow could be removed. DC O'Connor is having a company add additional floats to the boathouse.

Meeting adjourned at 1855. Minutes taken by: Greisen

Fire Chief Report January 2017

January provided both fire districts with an increase in emergency incidents due to a freezing cold spell followed by a heavy snowfall of up to 12 inches and lasting 1½ week. This winter weather caused a fire fatality in the Rainier area where the occupant had used multiple portable heaters in a Recreation Trailer to keep warm. There was a large structural collapse due to snow build up on a covered marina in Scappoose. Apparatus damage was held to a minimum with light damage due to broken snow cables or chains. We did have damage to the 2008 GMC ambulance when it high centered on Cornelius Pass Road. This ambulance was towed a few times during this snowfall and staff will need to reconsider the appropriate use of this ambulance during snowfall. We did have two structure fires in Scappoose one evening which were caused by an arsonist who had been released from jail earlier in the day. CRF&R responded to both fires to help out. During the winter weather event we had a good turnout for help from the career and volunteer personnel. Everyone worked hard, and we were glad to see warm weather return.

On January 4th there was a combined meeting and dinner with the Columbia River Fire & Rescue and the Scappoose Fire District volunteers with about 55 personnel in attendance. I presented the Intergovernmental agreement power point to the group and a general discussion followed. We are currently testing having combined volunteer training between the two agencies. The Wednesday morning drills are held in Scappoose and the Wednesday evening drill is being held at CRFR.

Fire Marshal Report

Columbia River Fire & Rescue / Scappoose Fire District

February Board Meeting

General Info:

I'm trying out a new format for my report. Please excuse the layout as I tinker with the information I provide. The left chart is an overall example of the amount of projects in the last 30 days that were worked on. The chart on the right depicts what category the tasks are.

I was out of the office for most of the month. I completed the fire plans examiner certification and credential and am a few months away for the Oregon State Fire Marshals Fire Marshal recognition process. In addition to this, I also completed the Fire Officer III and IV process.

Emergency Medical Service Report DC David Coombs January

New ambulance rates implemented for CRFR

Provided training to career recruit firefighters

Met with CareOregon regarding community paramedic program

Attended staff meetings

Attended joint volunteer business meeting

Completed Target Solutions training

Attended Columbia County Volunteer Firefighter Association meeting

Attended Fire Defense Board mtg

Completed SafePersonnel Training

Discussed relicensing training with the Training Officer

Audited EMS certification records

Assisted with EMR class

Researched and addressed patient issues with Avamere

Incident command at motor vehicle crash at Hwy 30/Nicolai Cutoff

Met with OHSU clinic staff

Began pediatric advanced life support recertification course

Attended School District First Responder meeting

Met with Cascade Training

Compiled incident time analysis data

Met and discussed transport contract with LifeFlight

Duty officer January 27-31

Division Chief O'Connor Monthly Report for January 2016

- Attended Assistance to Firefighters Grant (AFG) technical review panel in Baltimore Jan 8 13, this will be extremely helpful for writing future AFG grants.
- Attended LEPC/CEPA meeting at CCOM Jan 3
- Submitted HSGP grant to County Emergency Management to replace/update gas monitor/detection equipment for \$23,370, there is no match this is a 100% funded project if awarded.
- Met w/Jeff Lockhart to coordinate IT management of ipads and needs as we move towards a new CAD and RMS. Planning to coordinate new Ipads to accommodate upcoming changes and new programs.
- Attended staff meeting on 1/17
- Attended CRFR safety meeting 1/25 at St. Helens
- Accepted on to OSFM red incident management team as Division/Group Supervisor.
- Held first meeting for joint Scappoose/CRF&R Health & Wellness Committee in January, committee is Hennigan, Moung, Ahlers, J. Davis, & Maginn.
- Coordinating NFPA physicals for career and volunteer membership via Health & Wellness Committee.
- Preparing/planning to teach NFPA Instructor 1 March 18/19 at LBTC.
- Coordinating company to refloat the Scappoose boat house (In Too Deep Diving).
- Working on RFP to purchase new pickup for Scappoose.
- Purchased new meeting tables and vacuum for Rainier Station.
- Completed call log reports for local media every Monday, internal copy sent to all staff that includes individual unit number of responses for the week.
- Heater for apparatus bays at Fairgrounds station has been replaced.
- Heating unit problems at Rainier Station in the dorm has been corrected, no need to replace the unit.
- Soliciting contractors for estimates to move CRF&R fiber optic lines from old CRPUD poles to new poles. So far Oregon Aerial is the only contractor to contact me for additional information.
- Met with CRF&R Volunteer Association on Jan 19, much discussion regarding volunteer coordinator position.
- Collected information for initial damage assessment for Columbia County Emergency Management from snow/ice storms to possibly recover some costs associated for both CRF&R and Scappoose.
- Received estimate and timeframe to have window blinds installed in billing office at Admin Bldg.
- Updated bloodborn pathogen SOP for CRF&R
- Met with numerous volunteers regarding volunteer coordinator position.
- Received grant from SDAO for stair chairs and binder lifts for \$4,934.
- Met with Jennifer Motherway on several different dates for training on use of Hi Plains RMS, running reports and updating personnel attendance; ways to improve volunteer response/participation; recruitment and retention programs and implementing future volunteer programs such as interns and position specific volunteers; Public Information Officer roles, responsibilities, duties, etc
- Volunteer activity report for January 2017 attached, a significant increase in call attendance is noted for Jan. 2017.

Volunteer Coordinator Report January 2017

- Scappoose Volunteer Association Meeting (joint with CRFR) Wednesday, January 4th (attended the meeting, shopped for the food and assisted in cooking for the large group in attendance)
- Attended LCRTOA training officers meeting/take minutes Tuesday, Jan. 10th
- Attended CRFR Board Meeting Tuesday, January 10th
- Attended CRFR Volunteer Association Meeting Thursday, January 19th
- Attend weekly drill in Scappoose and @ LBTC weekly (9:30am & 7pm)
- Working with local company to create media (banners) for both districts for events and public education.
- Working with RS Media on continued photo board projects for CRFR (this will be an ongoing project)
- Scappoose Fire website creation, updates, etc.
- Meeting with Cary Wacker regarding his status/resignation
- Multiple meetings with numerous volunteers throughout the month re: basic conversation, ideas/etc.
- Assisting the stair climb team, under direction of team captain, Michelle Croft in flyer design/creation/printing for upcoming events to get the word out for donations/support social media/etc. (career/volunteer FF event)
- Working with a billboard agency on design for upcoming billboard media for the district
- Continue weekly Facebook posts
- Work out of Scappoose Fire Station, Tuesday and Wednesday's.
- Meet with recruits from both agencies on a weekly basis to check in on their needs, how things are going, see if we can do anything else to assist them and keep them engaged.
- Work on various volunteer reimbursement requests throughout the month, assisted with paperwork and delivery to admin for payment (childcare, gym reimbursement, mileage, etc).
- Assist at the St. Helens Station with picking up supplies as needed, answering the door to the community when staff is out on calls, work with the community in every capacity to answer questions and help where needed.
- Attend Oregon Fire Recruitment Network meeting Wednesday, January 25th

Continuous volunteer program work:

- Continued involvement in the Oregon Fire Recruitment Network
- Continuous communications via email, Facebook groups, active 911 to ask for help, send out upcoming dates to remember/etc. for volunteers.
- Social Media/PIO, keeping the community up to date
- Writing and posting press releases
- Assist Chief Officers with various tasks (emails on behalf/errands/etc)
- Work with Lt. Wonderly for FF PPE gear collection/turning items in to the uniforms dept.
- Coordination of Recruit academy January thru June (weekly recruit check ins/weekend check ins, food drop offs, host BBQ's/answer questions/etc.)
- Attend weekly drills to answer questions, participate on any level needed and be a face for the organization for volunteer firefighters
- Ongoing firefighter recruitment & retention efforts
- Planning for CRFR Appreciation Dinner/Awards Banquet April 7, 2017

MEMO

TO: Chief Greisen and Board Members DATE: December 8, 2016

FROM: Janine Salisbury, Finance Admin RE: Board Policy 4.22

Whistleblower Protections

This memo provides recent information from Special Districts Association (SDAO) about House Bill 4067 addressing employee whistleblower protections.

The most recent SDAO newsletter said that HB4067 was passed recently

"to protect employees who act on good faith and objectively reasonable belief to report a violation of federal, state, or local law, rule or regulation by their employer. Beginning January 1, 2017, all public and nonprofit employers must establish and implement a whistleblower policy. The policy must delineate all rights and remedies provided to employees, and employers will need to deliver a written or electronic copy of the policy to each employee."

Following is the sample policy provided by SDAO which meets the requirements listed above. It has been formatted for our District policies.

Since board policy changes require two deliberations separated by at least 28 days, no motion is required at the December meeting.

If you have questions about this policy, please contact me and I will try to get an answer before the board meeting.

Section 4.22 Whistleblower Protections

- A. The Board is committed to provide reporting procedures and protection should a District employee become aware of improper government action in accordance with Oregon Revised Statute 659A.200 to 659A.224.
- B. The District encourages any employee with knowledge of or concern about an illegal or dishonest fraudulent District activity to report it to the Fire Chief or designee. The employee may also provide the information to another District manager, a state or federal regulatory agency, a law enforcement agency or an attorney licensed to practice law in Oregon if a confidential communication is made in connection with the alleged violation. Attorneys employed by the District may report violations of law to the Attorney General, subject to rules of professional conduct. All such issues will be investigated in a timely manner to determine fault and institute any appropriate corrective measures. Examples of illegal or dishonest activities are violations of federal, state, or local laws; billing for services not performed or for goods not delivered; and other fraudulent financial reporting. For any employee wishing more information, further details can be obtained from the Fire Chief.
- C. The employee must exercise sound judgment to avoid baseless allegations. An employee who intentionally files a false report of wrongdoing may be subject to corrective action up to and including termination.
- D. Whistleblower protections are provided to maintain confidentiality and to prevent retaliation. While identity may have to be disclosed to conduct a thorough investigation, to comply with the law, and to provide accused individuals their due course, the privacy of the individual making the report will be protected as much as possible.
- E. The District will not retaliate against a whistleblower. This includes, but is not limited to, protection from retaliation in the form of an adverse employment action such as termination, compensation decreases, or poor work assignments and threats of physical harm. Any whistleblower who believes he/she is being retaliated against must contact the Fire Chief or designee immediately. The right of a whistle blower for protection against retaliation does not include immunity for any personal wrongdoing that is alleged and investigated.

F.	All reports of illegal and dishonest activities will be promptly submitted to the Fire Chief
	or designee who is responsible for investigating and coordinating corrective action.

RE: Surplus Old Fire Truck

We would like to have the Board of Directors declare the 1982 Thibault Ladder Truck VIN# 1D91E31E7C1008027 as a surplus apparatus. The Scappoose Fire District received this free truck from Portland Fire and Rescue and have no need of the fire apparatus at this time as we have received a newer free Tower Fire Truck from Portland Fire and Rescue. Columbia River Fire and Rescue has decided they are not interested in the Thibault Fire Truck.
